

Calling All Condo Management Companies!

Monitor Your Critical Building Systems

Protiigo offers critical building systems monitoring for Condos. Our sensors use LoRa, short for Long-Range. This is unique technology provides a 2 to 10 year battery life, 1/4 mile extreme long range, superior wall and obstruction penetration, including concrete, masonry and even metal!

Our technology includes a more secure automation network and does not rely on WiFi. All communication is encrypted for bank-grade security. Our team of communication experts will review your condo and recommend the most cost effective solution. We will take care of everything – from soup to nuts!

Save on your insurance with monitoring of critical building systems and areas.

We have long range sensors for:

- ✓ **Water and Flood Leak Detection**
- ✓ **Doors and Garage Doors**
- ✓ **Motion Detection**
- ✓ **Temperature and Humidity**
- ✓ **Smoke and CO**

**Save \$\$\$ on
Insurance!**

Call us at **647-479-6905** or email us at sales@protiigo.com to speak to one of our Condo Building System Reps.
